

2009 PACIFIC FISHERIES TECHNOLOGISTS POSTER PRESENTATION JUDGING CRITERIA

Student poster and oral presentations at the 2009 PFT will be judge separately. Student POSTER presentations will be judged based on two main categories, DELIVERY and CONTENT. In each category judges are expected to assign points, in increments of 0.5, for each item as listed below.

STUDENT NAME: _____

DELIVERY (point increments are ZERO, 0.5 OR 1)

- 1 Explains the work presented clearly and in logical order _____(1)
- 2 Poster is arranged logically (e.g. not just a series of random figures) _____(1)
- 3 Figures and tables are clearly legible from a distance _____(1)
- 4 There is a clear succinct abstract and a conclusion section _____(1)
- 5 Poster is visually appealing _____(1)
- 6 Responds well to questions _____(1)

Total Points for Delivery _____(6)

CONTENT (point increments are ZERO, 0.5, 1, 1.5 OR 2)

- 1 Background: adequate amount of background _____(2)
- 2 Methods and Analyses: provides clear and concise description _____(2)
- 3 Results: clear presentation of MOST relevant results _____(2)
- 4 Conclusions: presents logical conclusion from the results _____(2)
- 5 Implications: puts study results into larger context – “so what?” _____(1)
- 6 Novelty: has the study been conducted by others? Has the study been presented at other conferences w/ little novelty added to the current presentation? _____(1)

Total Points for Content _____(10)

Total Points for Poster Presentation _____(16)
